

# SHREE GROUP

An ISO 9001:2008 Certified Company  
Automation & Maintenance Engineers

We are one of the leading industrial Group providing Engineering Services, operated by group of professionals with vast industrial experience. Our strength lies in innovation with competitive price, timely delivery and assured quality with customer appreciation. Our Group is in two divisions, **SHREE GAJANAN ENGINEERS** for Industrial services & **SHREE MECHATRONICS LLP** for Manufacturing.

## SHREE GAJANAN ENGINEERS

### 1. INDUSTRIAL PLANT & MACHINERY SHIFTING

Injection Molding m/c

Engine J Bar Assembly Shop.

Loading/Transportation of Heavy m/c.

We provide to our clients the quality services for INDUSTRIAL PLANT MACHINERY SHIFTING. We have highly experienced team of professional people handling various type of shifting activities with careful handling of equipment, Machines in small /Large scale industries & MNC's, (complete plant shifting activity in intercity & Intra State). With focus to meet our customer stringent requirements in terms of cost & timely delivery, for this we are appreciated by our many customers.

**We offer customized services based on needs in following areas :**

- TURN KEY SOLUTION FOR ENTIRE PLANT SHIFTING.
- INTERNAL LAYOUT CHANGES AS PER CUSTOMER REQUIRMENTS.

Geometrical Test

Mech/Elect Dismantle

Machine Shifting using Skaters

Shifting Activity

Loading/Unloading

Installation work

Assembly Line Installation

## 2. MACHINE RETRO-FITMENT, RETOOLING & RECONDITIONING WORK

We provide quality services for Machine-Tool Reconditioning and Retro-fitment work.  
We offer customized services in following area.

- Reconditioning, Retooling & Retro Fitment of All Types of CNC's Like HMC's, VMC's, CNC Lathes, SPM's, VTL's, HBM's. Conventional Machines Like lathe, Milling Machines, Grinding Machines, Hydraulic Press. Washing Machines, Leak Testing Machines etc.
- Erection and Commissioning of all types of Machines/Equipment's.

### RECONDITIONING OF MACHINE

Vertical Machining Center

Vertical Turret Lathe

Drilling SPM.

Horizontal Machining Center

Washing Machine

Special Purpose Machine

### RETRO FITMENT OF MACHINES

Horizontal Boring Machine

Special Purpose Drilling Machine

Boring SPM

# SHREE MECHATRONICS LLP

We are providing engineering products to various organizations. We are one of the 'Key' manufacturers of Precision Parts, Jigs and Fixtures, Fixture assemblies and also Industrial Component Washing machines, Leak testing machine, Hydraulic & Hydro-pneumatic Presses and Fabrication work etc. Also we manufacture & supply Special purpose machines as per customer requirement.

## SPECIAL PURPOSE MACHINES

Industrial Washing m/c

Valve Leak Testing m/c

Leakage testing machine

Design & Supply Hydraulic Press

Design & Mfg.of Duplex Milling m/c.

Design and development of Jigs/Fixtures

## JIGS & FIXTURES

## FABRICATION WORKS

Medium And Heavy Fabrication

## PRECISION PARTS

We at "Shree Mechatronics LLP" are committed in giving our best performance throughout in our manufactured parts and products. Since 2005 we have reached to client base of 100+ (Including UK) and are continuously providing them Special purpose machines (SPM) and precision parts as per their requirements. We have been supplying our qualitative manufactured parts in and around states with our full efforts; we have been keeping our resources updated with changing trends in mfg. through regular training activities.

## REASON TO CHOOSE US:

- Proper project planning.
- Sign off with customer before and after work completion to ensure 100% Satisfaction.
- Our vast experience in all type of CNC and conventional machines Maintenance and Reconditioning.
- Customized solutions as per customer requirement.
- Machine shifting in various industry and geographical sectors.
- Competitive Price with Performance, Features and Services.
- Experienced Team for Electrical, Electronic and Mechanical work.
- Friendly Services.
- Timely delivery of Task.

## OUR VALUABLE CUSTOMERS

## SHREE GROUP
